

# SHALL WE BROCADE

## Gauge Swatch:

4st & 6 rows equal 1in in worsted weight yarn with a US 8 (5.00mm)

## Materials:

- Worsted weight yarn
- US 8 (5.00mm) or needle to produce gauge.
- 2 stitch markers of different colors

## Notes:

*– I decided that the rest of the year may be simple but useful*

*designs for your ability to make scarves, blankets, shawls, etc.*

*– This one is my version of a King Charles Brocade stitch. I love the subtle diamond look to it & I can see a blanket, shawl, or scarf in it, but that is me.*

*– As with all my squares you can choose to use a garter stitch border like I have or a seed stitch border depending on your preference.*

Then repeat rows 1-6 & then bind off using your choice of bind off. I normally use a basic knitting bind off {<http://www.ktinghelp.com/videos/binding-off>} the first video for a square like this. Just do your best to keep your tension even.
